The Maryland Association of Elementary School Principals and the Maryland Association of Secondary School Principals are pleased to provide a valuable professional development opportunity through a dinner series on Legal Issues for School Leaders. Based on former participants' positive feedback and requests, Tyson Bennett, attorney with Carney, Kelehan, Bresler, Bennett and Scherr, will present at three dinner meetings on the topics of Special Education Law, Technology and the Law and Parents and the Law. The presentations will be appropriate for elementary and secondary school leaders. There will also be time for questions and answers.

The dinner series is open to MAESP and MASSP members for \$42/session. Registration for non-members is \$46/session. Attendees may register for one, two or all three dinner meetings using the attached registration form. Members and non-members may also bring members of their instructional leadership teams who would benefit from these presentations. We encourage all members to share this information with colleagues who may not yet be members of MAESP or MASSP.

Registration will begin at 5:45 p.m. Dinner will be served at 6:00 p.m. followed by the program from 7:00- 8:30 p.m. All of us at MAESP and MASSP hope that you will be able to join us for this interesting and informative evening.
