MASSP Spring Conference

April 15-17, 2010

Princess Royale Hotel

Ocean City, MD

Conference Theme- “Doing it Differently”

Keynote Speaker- Dr. Todd Whitaker

Dr. Whitaker will present two sessions:

“What Great Principals Do Differently”

“Dealing with Difficult Teachers”

MASSP is looking for speakers to present at the 45 minute breakout sessions on Friday

AND

Panel members for the panel series on Saturday morning

Have you developed a program that has made a huge difference in student performance?

Have you implemented a unique program that has enhanced student achievement?

In today’s economic climate, have you figured out how to do more with less?

Have you developed a program that effectively utilizes your parents and community?

What successful strategies have you used to motivate and inspire teacher growth?

What is it about your new strategies that make them different and successful?

We would like to present middle level and high school sessions both on Friday and on Saturday with the panel presentations.
